<p>145/18</p>	<p>To receive an update on matters arising from the minutes of the Full Council meeting held on 18th October 2018 that are not included elsewhere on the agenda and to consider the status of progress to date</p>
	<p>To be covered under item 159/18</p>

145.1/18	To discuss the request for Parish Council to underwrite the risk of Graze Festival in 2019

146/18	Councillor Corcoran to provide an update on progress of the Neighbourhood Plan
	<p>The Twyford Neighbourhood Plan continues to be worked on to be brought in line with SDNP Plan. The aim is to present the updated version to the TPC January 2019.</p> <p>The South Downs Plan is currently going through a Hearing. TPC objected to 7 points on the SDNP Plan. Cllr Corcoran attended one day of the Hearing, to represent the TPC view on employment. From Cllr Corcoran's attendance, it was deduced that physical representation at the Hearing is not required. Cllr Corcoran was also assured by discussion with SD's, that a good working relationship would be maintained after the Plan is implemented, to support the objectives of Twyford.</p> <p>The second area of the SD Plan TPC have objected to is affordable housing. SD's have stated in the plan that any exception sites require 100% affordable housing. Winchester set a total that 30% of the housing can be capital housing to make the site viable. TPC have objected to state that Winchester 30% works well. Cllr Corcoran has obtained some information from WCC in support of this. Cllr Iazard offered support to Cllr Corcoran to help obtain information if required.</p>
146.1/18	Review the progress and finances for the flood mitigation survey work, and resolve to approve up to £7,000 for the next phase of survey work with Mayer Brown.
	<p>The initial results of the survey work has been conveyed to Cllr Corcoran. The survey indicates poor maintenance of the drains, and damage as a result of private residents connecting in to the drains. The existing system has not been looked after, which severely restricts further the insufficient existing capacity. The Neighbourhood Plan technical team are reviewing the results to consider the next step.</p> <p>Hampshire County Council are responsible for looking after flooding issues. Cllr Corcoran will share the findings with Cllr Humby, for Cllr Humby to consider what can be done.</p> <p>Action: Cllr Lawton, Cllr Corcoran, Cllr Humby (plus relevant officers) to meet when all of the survey results are received.</p> <p>The financials of the project were discussed, and it was resolved to release £7,000 to complete the work by Mayer Brown. Proposed by Cllr Lawton and seconded by Cllr Corcoran.</p>
