	Cllr Bronk District Councillor Report for the Parish Councils.
	As we complete yet another week of lock down; and those not in the high risk category venture out only for essential journeys for permitted work activities, food/medicine or exercise in order to protect the NHS and save lives, it is reassuring to know that essential services have been maintained and local volunteers have mobilised to support their community.
	Some changes have brought unexpected benefits (such as the welcome reduction of road and air traffic) but despite the efforts of central government to provide support to many of those affected by COVID 19 some impacts will have a longer term effect, such as upon the families who have lost loved ones and everyone faces the impact on the overall economy. In that respect WCC has received some government assistance, but is drawing upon its reserves as council tax receipts and especially car parking income fall but onward payments of council tax for the county council, police and parish council must be made at the precept level; and services such as household refuse collection, social housing and benefit payments are maintained. WCC is therefore currently forecasting a deficit of between £7million and £12million for this year, which will affect future charges and service levels.
	As someone at high risk, I have self isolated since attending a WCC Planning Committee on 18th March; but have continued to provide services from home, for those who have contacted me or by disseminating information to relevant persons. On that basis it is also encouraging that changes to the law have enabled certain council meetings to be conducted in a virtual format. WCC continues to progress its update of its Local Plan, although Twyford is subject to the South Downs National Park Authority Plan it will be affected, for example by any major new development permitted in Colden Common or Bishops Waltham. Now that Eastleigh Borough Council has been told to remove reference to the Fair Oak and Bishopstoke development sites and link road to Allbrook from its Local Plan I have pressed for reference to the link road to also be excluded from the Winchester Plan. I also continue to monitor the planning application to extend the runway of Southampton International

Airport (which I oppose) and proposals to expand the Shawford railway station car park (which I support).

Email and telephone numbers for both myself and Councillor Cook are at the foot of this report and are published on the WCC website. Please do not hesitate to contact us about WCC services or other local issues that we may be able to assist with.

Cllr Cook provided the following update:

As Cllr Bronks report informed good to see the changes to the law enabling certain Council Meetings to be conveyed in a virtual media (although some have been unfortunately encountering Internet Access and Interruptions to their connectivity).

Encouraging to read the preliminary Report from the Inspector from the Eastleigh Borough Local Plan.

ADD Action Against Destructive Development held a Webinar last night 29/04/2020. It was well attended and the three members were Kate Beal Blythe, Caroline Dibden CPRE and John Lauwerys ADD Chair. Excellently presented and questions were answered by the Hosts that were being asked by members of the general public on line and others too!

Glad to read from Cllr Bronk's Report he has pressed for the reference to the exclusion of the Link Road from the The Winchester Local Plan. In addition, the proposed application of Southampton International Airport (which I also oppose).

In addition, the Shawford Railway Station Car Park proposals (which I fully Support).

Noisy Drain cover Hazeley Road, Twyford reported by many and some time ago and had been escalated. Highways Team arrived in separate vehicles (social distancing) unfortunately no letter or call to advise on their date of work alas could not complete the work as Siemens the Traffic Light Contractor did not arrive on site to fully facilitate the operation of the lights at the cross roads by the Post Office.

The work is being rescheduled to an alternative date and I have requested that the work is completed ideally whilst Lock Down is with us due to the traffic being so much lighter.

I have also asked to be informed so that the Twyford Stores owner is fully aware of the dates involved.

Whilst out placing posters for WCC "It's Okay to Ask For Help" and the Clerk has placed on TIS Thank-You. I came across under the bench of the Bus Stop opposite the Post Office a very tired looking poster that had fallen of the board. Took it home and worked out a contact number and called it and spoke to the Secretary Giselle Letchworth and the heading is 'Can we Help You' Twyford and District Nursing Association (800876)

TDNA is a small Local Charity set up in 1994 from the sale of The Nurses House in Twyford and the money received was invested by the Trustees and their remit is to Award Grants to help local individuals who are going through difficult times with medically incurred problems.

The Clerk has the pdf and will be putting on TIS very shortly and poster will be going back up now on one side with the addition of a pin email address as well after speaking with two of the Trustees. B3335/Highbridge Road poor visibility on the Triangle Junction. Both Cllr Bronk and I have reported this to Highways and Cllr Lawton took some photos and they have been sent to Highways local Engineer to further investigate. As Cllr Bronk has said it should be on the cutting Calendar not dependant on one of us to make contact when it's already a danger to motorists and cyclists. Glass Collection Recycling Twyford Social Club as you are aware have bins and WCC Waste Team are monitoring their use and should this area become full and overflowing please do contact the number on the side of the bin or contact me. Should you see other recycling areas with Brown Bins that are overflowing please if at all possible ring the number on the Bin as I did earlier this week in Teg Down outside Waitrose as I was collecting Groceries for a resident in Winchester and it was collected the next day. Earlier in the week the Team in the Waste Collections Dept were very kind and I popped over and collected 20 Litter Picks. The Clerk put on TIS when residents are out on their walk as part of their exercise perhaps they may wish to keep the Village looking Even more Beautiful by collecting some litter? More litter pickers can be acquired if required. Attempting to do my bit at the Locks collecting a wide variety of interesting litter. Please do not hesitate to contact us about WCC Services and Local Parish Issues that you would like assistance with. Contact: tbronk@winchester.gov.uk tel.01962 714275 scook@winchester.gov.uk. Tel 07884 111916 In addition, Cllr Pullen reinforced the message that an increase in speed of vehicles passing through the village has been observed. To receive an update on matters arising from the minutes of the Full Council meeting 7/20 held on 13th February 2020 that are not included elsewhere on the agenda and to consider the status of progress to date None in addition to specific agenda items below. To receive an update from the Planning Committee and any updates on any matters 8/20 arising unless already covered by another agenda item Cllr Mitchell updated the Council that the Planning Committee did not pursue requesting Highcroft application went to Committee, instead it will be explored through Twyford Neighbourhood Plan policies on 30% property size increase Cllr Mitchell also clarified that he has received a number of comments regarding 28 Churchfields, which is due to be discussed at Planning Committee on 7th May.

9/20	To receive an update on matters arising from the Recreation Committee; to note or discuss action taken since unless already covered by another agenda item						
	 The play equipment at the parks (Hunter Park and Northfields) require a full clean. Quotes to be obtained once people are able to go back to work (as this is non essential currently). This was supported by the Council and costs will be covered under maintenance budget. Tree survey. Information requested from three companies, but until they can go back to work they also cannot look at the areas that we need assessing. Berry Meadows will be a large survey. Sand – trying to obtain quotes to top up the sandpit as the sand purchased with WCC funds was used for sandbags for flooding threat. Difficult to obtain quotes and information on who will deliver in current climate. Assistant Clerk is working on getting this delivered for as soon after lockdown as possible. 						
9.1/20	Resolve to approve expenditure on tree works required at Hunter Park, Northfields and corner of Queen Street and Finches Lane. Three quotes have been presented to the Councillors, Hampshire Heartwood to be appointed at cost of £750 (plus VAT), for work to be conducted post lockdown.						
	Three emails were received from Councillors confirming their approval to appoint Hampshire Heartwood to conduct essential tree maintenance work at quoted price of £1,150 following the presentation of 3 comparable quotes. Work cannot commence until post lockdown. As the resolution was for £750 plus VAT, it was resolved to approve only some of the quoted work, up to £750. Proposed by Cllr Wheeler and seconded by Cllr Pullen.						
9.2/20	Confirm no increase in the annual allotment fees						
	Cllr Wheeler had confirmed previously via email (during lockdown) that the allotment invoices were to be sent out to the allotment holders for 2020 / 2021 with no price increase. Despite the increase in water bill due to a leak in 2019, the income still covers the cost. Decision to leave allotment fees unchanged to be ratified by the Full Parish Council. Proposed by Cllr Corcoran and seconded by Cllr Cook. Cllr Bronk did not participate in this item.						
10/20	To receive an update from the Finance Committee on matters arising; and to note or discuss action taken since unless already covered by another agenda item						
10.1/20	Resolve to approve payments to be made in April 2020. Note the payments made in March which were emailed to Councillors in March 2020.
