# **FULL COUNCIL**

#### **TWYFORD PARISH COUNCIL**

#### MINUTES OF A MEETING OF THE COUNCIL

Held on Thursday 27th October 2022 at 7.30pm

In the Gilbert Room, Twyford Parish Hall

Present: In attendance:

Cllr. Sellars (in the Chair), Cllr. Hill, Cllr. Lawton, Cllr. Corcoran, Cllr. Pullen, Cllr. Pain, Cllr. Bronk, Cllr. Cook, Cllr. Forder-Stent

J.P. Matthews – Clerk 5 members of the public

Minute	Business Transacted					
98/22	Chairman's comments					
	The Vice Chairman welcome everyone to the meeting.					
99/22	Apologies for Absence					
	Apologies were received from Cllr. Mitchell.					
100/22	Requests for Dispensation under Section 33 Localism Act					
	No requests were received.					
101/22	Declarations of Interest					
	No declarations were made.					
102/22	Approval of Minutes					
	It was <b>Resolved</b> that the minutes of the Meeting of Twyford Parish Council held on 29 <sup>th</sup> September 2022 be approved.					
103/22	It was Resolved to change the order of business on the agenda and item 6, would now be moved to later in the meeting.					
104/22	County Councillor's report					
	Cllr. Humby had submitted a report which was <b>noted</b> and is attached in the appendices.					
105/22	District Councillors' report					
	The report was <b>noted</b> and is attached in the appendices.					
	Cllr. Bronk highlighted the proposed M3 diversion route referred to in the report and advised that further meetings would be taking place in due course with National Highways and HCC.					
106/22	Clerk's report					
	The report was <b>noted</b> and is attached in the appendices.					
107/22	Planning Committee					
	The draft minutes of the meeting of the Planning Committee held on 6 <sup>th</sup> October 2022 were received.					

	The Chairman of the Planning Committee gave a brief update on the progress on some of the applications that the committee had made representations on.					
	Cllr. Cook said she had been very concerned and disappointed about the tone of comments made on social media regarding some recent planning applications and this comment was echoed by Cllr. Bronk who noted that wasn't the first time that administrators of the social media groups had been criticised for doing their very best to ensure that social media page discussions were made with civility.					
	Recreation Committee					
108/22	The draft minutes of the meeting of the Recreation Committee held on 20 <sup>th</sup> October 2022 were received.					
	Three Recommendations were made to Full Council and it was Resolved to:					
109/22	<ul> <li>R29/22 – Inclusive Swing Seat</li> <li>Approve expenditure of £1,168+VAT for an Inclusive Swing Seat using funds from the capital budget for replacement equipment.</li> </ul>					
110/22	<ul> <li>R30/22 – Hunter Park Footpath surfacing         Approve expenditure of £15,507 to resurface footpaths, using £7,753 from the capital budget for Hunter Park and £7,753 from general reserves. The successful contractor is Heylers of Hampshire.     </li> </ul>					
111/22	<ul> <li>R32/22 – Fencing at Hunter Park Car Park</li> <li>Approve expenditure of £2,446 from general reserves, for a knee-high rail fencing. The successful contractor is R. M. Smith Fencing.</li> </ul>					
112/22	A member of the public arrived at the meeting at 7.58pm					
	It was Resolved to change the order of business on the agenda and items 6 and 17 would now be considered.					
113/22	Public Representation					
	Three members of the public arrived at the meeting at 8.10pm					
	Four members of the public addressed the Council with their views on tree felling work that had recently taken place adjacent to public footpath 24 (Hunter Park to Gabriel's Copse). Concerns raised included the lack of awareness of the scale of the work, the purpose and what the future plans for the area were as the landscape has been radically changed. Many species of tree had been cut, not just Ash. The area may quickly turn to bramble and scrub. One member of the public was concerned that the removal of trees had removed shelter and would cause more wind to cross their land and cause damage.					
	The Chairman thanked the members of the public for attending the meeting and giving their views.					
114/22	Tree felling adjacent to Public Footpath 24					
	The council had received several items of correspondence and heard the views of members of the public who were present.					
	Cllr. Bronk explained the background to how he had become aware of the works, although not the extent, through proposed footpath closures and that he had liaised with Hampshire Countryside Services to ensure the correct closure orders has been processed. He had also made telephone contact with the local SDNPA ranger. Cllr. Cook advised that she had been in contact with the Winchester City Council arboriculture officer and assessed the extent of the work that had taken place. A Forestry Commission felling licence was in place and WCC would check with FC that the works were in accordance with this licence.					
	Cllr. Corcoran had contacted the landowners of the area where the tree felling had taken place and read out their response to him:					

We have dealt with the Ash Die back both here and up Woodlands Drove, removing the ash and any other trees that were deformed or dangerous. This is primarily a safety issue for which I have public liability for as the landowner, and it is action that the Parish Council have been asking us to do. In the Hanger we had the added issue of removing trees that were adjacent to the telephone line as you will be aware that we have had falls over it in the past. We have also coppiced all the hazel, apart from around the badger dens. Hazel is traditionally coppiced and will sprout again and grow in the spring. All the felled wood has been chipped and taken away for use in power stations, recycling at work!

We aim to spot plant the bank this winter with oak, but may wait until next year to see where the gaps are between the regrown hazel. What we have done is all within a Forestry Commission felling licence and is normal practice. In a few years the bank will be full of life again, not least I hope with important ground cover vital for diversity of habitat, which had been almost completely shadowed out before, but which will now thrive in the open air.

Once [the owner] of Knighton House has fenced his side along out mutual boundary, we will then get a small digger in to improve the footpath in places, but not to turn it into a bridle path or for use by mountain bikes etc. I will let you know when we are going to do this. We will also be cutting back the bottom stretch of the Hare Lane footpath before the end of the year.

I would just add..., that I have made no profit out of this clearance. Due to the specialist equipment needed both for ash die back, they can shatter so hand cutting not allowed, and for the bank, this has all cost me approx. £20,000 even with a discount for the chippings. I don't expect any sympathy for this, it's all part of land management for those who understand it.

I would also add that I have made quite an effort over the last two years to mark all the footpaths with directional way markers, and to put advisory markers on tracks where there are no access rights, so that walkers know exactly where to go.

I am very happy to come to a public meeting in Twyford to discuss these issues.

It was Resolved that the Clerk will identify the various authorities with responsibilities, including those granting permission, in the area of the tree felling works and follow up with them to identify what actions they have taken and whether they are satisfied that the works are in compliance with the various licences.

Three members of the public left at the meeting at 8.30pm

#### 115/22

#### **Parish Farm Advisory Committee**

The draft minutes of the meeting of the Parish Farm Advisory Committee held on 13<sup>th</sup> October 2022 **were received.** 

Cllr. Corcoran presented the minutes and drew attention to several items considered at the meeting including the joining of the Winchester Downs Farm Cluster and tree planting proposals which he would also discuss further with Cllr. Forder-Stent as the Chair of the Climate Change Advisory Committee. The next meeting of the committee is at the end of November when the tree proposals can be considered further.

#### 116/22

There was one Recommendation to Full Council:

It was Resolved to establish a Working Group consisting of Cllr. Lawton and Cllr. Cook to assess security patrol requirements for Compton Lock in 2023 and report back to Full Council no later than December 2022 meeting of Full Council.

#### 117/22

It was Resolved to suspend Standing Orders to allow a member of public to address the Council.

The member of public stated that they opposed to the planting of trees in Berry Meadow along Shawford Road because it will prevent a view from the road and there had never been trees planted there before.

#### 118/22

#### **Schedule of Payments**

It was **Resolved** to **receive and approve** the Schedule of Payments for October 2022 The schedule is attached in the appendices.

119/22	22 Balance of the bank accounts				
	The bank balances as of 30 <sup>th</sup> September were <b>noted.</b>				
	Ordinary Accounts		est rate		
	Unity Trust C/A	£6,811.20	0.0%		
	Nationwide Redwood (35 day notice)	£84,107.38 £85,680.56	0.20% 1.29%		
	Total	£176,599.14			
		2170,599.14			
120/22	External Audit				
	It was <b>Resolved to receive an</b> 2021/22.	d approve the Exter	rnal Auditor Report and Certificate		
121/22	Traffic Solution Focus Group, Advisory Committee				
	Cllr. Bronk gave a verbal update and advised that there was currently lots of activity on various matters and he would provide a brief update on these.				
	Minor signs and road markings On High Street and Finches Lane – HCC are shortly to sign off the drawings ready for a contractor to implement the works. These works have previously been considered by the committee.				
	Finches Lane Crossing There are to be some modifications to the kerb to bring out further into the road. This is a good outcome of the discussions with HCC.				
	Informal Crossing (High Street) Work is continuing to take place as to whether a formal crossing could be accommodated and meet highway specifications. Funding would still need to be identified for such infrastructure.				
	Walking to schools Conversations are continuing with HCC to identify whether these routes are still eligible for 20 mph zones.				
	Village Gateways These are being considered by the committee but will need to be funded by the Parish Council at an estimate cost of £4.5k				
	LCWIP and Cycleway In order to ensure the CIL awarded to this project by WCC is protected, it is important to continue to keep the need for this cycleway well publicised and t stakeholders are engaged about the proposed scheme and the options to overcome some of the current constraints.				
	Parking query – Dolphin Hill  A query had been received about on street parking. A proposed 2017 Train Regulation Order was never progressed in this area. Any signs in place an advisory only. WCC will be writing to residents to remind them of the arrangements and current parking bay markings are due to be remade by				
122/22	Twyford Games				
		es with no hire fee b	Valker to use Hunter Park on the 2 <sup>nd</sup> eing charged. Detailed arrangements		
123/22	Climate Change Advisory Co	mmittee			
	considering arranging an even	t in January for cycle and other cycle frien s to take part in the e			
	The meeting closed at 9:34pm				

#### **OUNTY COUNCILLOR ROB HUMBY'S REPORT**

#### **OCTOBER 2022**

#### Hampshire mourns the death of Her Majesty Queen Elizabeth II

I wish to convey my deepest sympathies and condolences to the Royal Family on the passing of Her Majesty The Queen, Elizabeth II.

The late Queen was our country's rock. For 70 years, she was a constant and calming presence through times of change and instability. She carried out her duties with great dignity, wisdom, humour and genuine care for the people of the United Kingdom.

Her Late Majesty had a special connection with Hampshire. She and Prince Philip spent part of their honeymoon at Broadlands in Romsey in 1947, and returned there to mark their Diamond Wedding Anniversary in 2007. During her reign, she made several visits of military and naval significance to Aldershot, Portsmouth and other places in Hampshire. We cherish the memory of these occasions.

At this summer's Platinum Jubilee celebrations, communities across Hampshire came together to commemorate and give thanks to Her Late Majesty's 70 years of dedicated public service. This month, we came together once again, this time in sorrow and mourning, but also sharing fond memories of the late Queen's lifetime of outstanding duty to the nation.

I was honoured to sign the Book of Condolence for Her Majesty at the Great Hall in Winchester and take part in Winchester's Proclamation Event to announce the beginning of the reign of King Charles III. I would like to extend my gratitude to County, District and Borough officers for their hard work during the national mourning period, making sure that Hampshire was able to pay a fitting tribute to the remarkable life of our longest reigning monarch.

I have written to His Majesty the King, Charles III, on behalf of Hampshire County Council, to send our condolences and best wishes for a long and successful reign.

May Elizabeth II rest in peace. God Save the King.

#### Hampshire residents marked the Proclamation of a new Sovereign

Following the death of Her Majesty, Queen Elizabeth II on 8 September, and the national reading of the Proclamation in London held on Saturday 10 September to announce the beginning of the reign of King Charles III, hundreds of people gathered at a public Proclamation event out Winchester's Great Hall

#### Could your organisation help families in need this Christmas?

Hampshire County Council is inviting organisations to apply for funding that will help them provide vital support to vulnerable families during the upcoming Christmas holidays

<u>Could your organisation help families in need this Christmas? | Hampshire County Council (hants.gov.uk)</u>

#### Hampshire County Council team shortlisted in Social Worker of the Year Awards

Work by a Hampshire County Council social care team to help young people with complex needs make the transition to adulthood has gained national recognition – having been shortlisted in the annual Social Worker of the Year Awards

<u>Hampshire County Council team shortlisted in Social Worker of the Year Awards | Hampshire County Council (hants.gov.uk)</u>

#### Proposals outline a sustainable future for Titchfield Haven National Nature Reserve

Proposals for Titchfield Haven National Nature Reserve are being set out by Hampshire County Council which aim to increase investment and protection for this internationally important site for wildlife

<u>Proposals outline a sustainable future for Titchfield Haven National Nature Reserve | Hampshire</u> County Council (hants.gov.uk)

#### Eastleigh to lead the way for Travel Hubs in Hampshire

Travel Hubs, due to be installed in Eastleigh by Hampshire County Council, will make it easier for people to join up trips using public transport, on foot or by bike encouraging people to leave the car at home

#### Hampshire to increase monthly payments to local residents hosting Ukrainian families

Hampshire County Council has announced that it will be paying an extra £200 per month to Hampshire residents hosting Ukrainian guests as part of the Government's Homes for Ukraine Scheme, over the next five months

Hampshire to increase monthly payments to local residents hosting Ukrainian families | Hampshire County Council (hants.gov.uk)

#### Step up to prevent school holiday hunger and isolation

Hampshire County Council is looking to identify more organisations that can help families facing hardship across the county – calling for them to apply for a place on its list of approved Holiday Activities and Food (HAF) programme providers

Step up to prevent school holiday hunger and isolation | Hampshire County Council (hants.gov.uk)

#### **Services provided by Hampshire County Council include:**

- <u>Education and Learning</u> including supporting Hampshire schools. (excluding privately run Academy Schools)
- <u>Services for children and families</u> including adoption and fostering, safeguarding, and support for young people.
- <u>Maintenance of Hampshire's roads</u> (except motorways and trunk roads which are the responsibility of National Highways), <u>licensing</u> for providers who need to work on the highway, and support for operators of <u>public transport</u>.
- Planning applications for mineral extraction, waste management and public buildings.
- Provision of <u>social care and health</u> in Hampshire.
- The <u>Hampshire Library Service</u>.
- The <u>Countryside Service</u>, looking after <u>rights of way</u>, and many of the county's <u>important green</u> spaces
- Household Waste Recycling Centres where residents can dispose of unwanted items. (District, borough or city councils manage kerbside household waste collections)
- <u>Trading Standards</u>, ensuring fair trading in Hampshire, by supporting the county's businesses and protecting Hampshire consumers.

#### District, borough and city councils

District, borough and city councils provide services such as:

- Household waste collection
- Domestic planning applications
- Council Tax collection
- Housing

Find your local district or borough council

#### Parish, community and town councils

These councils operate at a level below district and borough councils and in some cases, unitary authorities.

They are elected and can help on a number of local issues, like providing:

- allotments
- public clocks
- bus shelters
- community centres
- play areas and play equipment
- grants to help local organisations
- consultation on neighbourhood planning

They also have the power to issue fixed penalty fines for things like:

- litter
- graffiti
- fly posting
- dog offences

#### Other governing bodies

- Fire and Rescue Authority
- Police and Crime Panel
- The Hampshire Partnership
- Lord-Lieutenant of Hampshire
- New Forest National Park Authorities

#### **Reporting Highway Problems**

#### District Councillors' Report to Twyford Parish Council

#### District Councillors' Report to Twyford Parish Council - October 2022

#### Winchester Local Plan

Although Twyford Parish is not within the scope of the Winchester Local Plan because it falls instead under the South Downs National Park, it will inevitably be affected by the new Local Plan.

The draft 'Regulation 18' Local Plan will be going out for consultation on Wednesday 2 November and will run until midnight on Wednesday 14 December 2022. Information including how to submit comments can be found by visiting www.localplan.winchester.gov.uk from these dates. On this site, visitors will also find the draft Regulation 18 Local Plan document and can sign up for further updates.

Some key themes include climate emergency, affordable homes, and protecting and enhancing our natural environment.

Residents are urged to make their views known. Residents unable to access the above website or submit their comments electronically are recommended to contact the City Council Customer Service Desk for details of access to paper copies and how to make written representations.

Tel: 01962 840 222 Email: customerservice@winchester.gov.uk

Winchester City Council City Offices: Colebrook Street, Winchester, SO23 9LJ

Open Monday - Thursday 8.30am to 5.00pm and Friday 8.30am to 4.30pm

#### Winchester District LCWIP (Local Walking and Cycling Infrastructure Plan)

Cllr Cook and I participated in a public Workshop run by Hampshire County Council which sought to identify obstacles and potential solutions to movement in Winchester District by foot, bicycle and horse. Two workshops were held and were also attended by a number of Twyford residents. HCC used maps to record locations where obstacles exist and to plot potential routes favoured by participants. Attendees were informed that it will not be until mid 2023 that a draft plan will be available for review and comment, in the meantime every effort is being made to include a practical route from Twyford to Winchester.

It should be noted that any prospect of a shared path alongside the B3335 requires a reduction of the speed limit to 40mph. Cllr Cook and I have suggested a TIS asking whether residents support a reduction of the B3335 speed limit, because any steps to reduce the limit will involve public consultation.

Unfortunately, until the final LCWIP is completed towards the end of next year the key routes for central government funding applications will not have been determined (although central Winchester routes under the Winchester Movement Strategy may be taken forward in the meantime). Any local improvements may therefore not occur for several years.

#### M3 Junction 9 (and local impact)

Cllr Cook and I attended a briefing by National Highways about their revised proposals for M3 J9. Plans to temporarily restrict northbound access to the M3 remain, with traffic being diverted to J11 to join the northbound carriageway. Concerns about the impact of diverted traffic on journeys from Twyford were expressed. Similar concerns about other diversions have been raised by other councillors and a further meeting with WCC Officers and National Highways is being sought.

#### 20's Plenty

In anticipation that Hampshire County Council's current policy preventing councils from requesting 20mph limits near schools or other areas of increased risk will be relaxed, Hampshire County Council's Cllr N. Adams-King has agreed to see areas of Twyford that Cllr Cook and I consider to be most likely to be eligible. Cllr Cook and I hope this will assist an application by Twyford Parish Council to secure limit changes early in the new regime, further to its decision last year to support the 20's Plenty campaign for a 20mph limit in the village.

#### Campaign for a formal crossing

The road signs and markings safety review by HCC proposes yellow bollards at the informal crossing by the Phoenix, but no other safety changes. HCC has been asked why a Zebra Crossing has recently been installed in Otterbourne when a formal crossing point for Twyford continues to be refused, despite the large number of vehicles passing through the village and the limited number of safe crossing points.

#### Residents' concerns about school transport

Cllr Cook and I were contacted regarding concerns about The Westgate School bus service which were acknowledged in a communication to parents from The Westgate School. The Bus operator and Hampshire County Council were subsequently contacted to seek an urgent resolution of the problem of late arrival of buses.

#### Garden waste collections

Subscriptions for the Council's Garden Waste scheme for the 2023/24 year will open in November. For those subscribing for the first time the council will deliver a new bin within four weeks of a subscription being set up. New subscriptions or renewals of existing subscriptions for the current year are no longer being accepted.

For any further enquiries please contact the Customer service team at: customerservice@winchester.gov.uk

#### Reporting problems with local roads

Residents are urged to report concerns about potholes, drainage or overgrown hedges directly using the Hampshire County Council website:

https://www.hants.gov.uk/transport/roadmaintenance/roadproblems

Fly tipping and some other highway/pavement problems should be reported to Winchester City Council: https://www.winchester.gov.uk/roads-highways

#### Winchester Business Improvement District (BID) Ballot

If you work in the Winchester BID area of the City Centre a reminder for all BID Levy Payers. The Deadline for returning YOUR Completed Ballot Papers is: Thursday 3rd Nov 2022 at 17.00.

As there are Royal Mail Strikes scheduled you may wish to return your completed papers to Colebrook Street Offices.

They Open Mon-Thurs 08.30am-17.00

Fri 08.30am-16.30

Or you may wish to pop through the Post Box if this is out of hours.

\*\*\*

Winchester City Council has now installed Solar Panels at Biffa Winchester.

This is in a bid to reduce Carbon Emissions and Energy Bills.

This was a Collaboration Project made up of

- Custom Solar
- Enterprise M3
- Portsmouth City Council.

This is part of a raft of measures that Winchester City Council are taking to tackle the Climate Emergency.

#### JOIN The SKILLS REVOLUTION.

#### www.gov.uk/skills-support

This is a New Campaign urging employers to join the Skill Revolution as it aims to help Businesses by up-skilling their workforce.

Start Your Business Journey to Net Zero

FREE Support for Businesses in the Winchester District to help begin the journey to Net Zero and access grant funding is now available.

Grants covering 40% of expenditure towards Business Growth up to a maximum of £10,000. Administered by Low Carbon Across the South and the East. (LoCASE) Meercat Associates Ltd.

\*\*\*

Major New Unique Interactive Experience. Anglo Saxon History Bought To Life. 878 AD Opening at The Brooks Centre. Winchester. 12th November 2022.

Emerging Local Plan.

The New Local Plan is an opportunity to set out a New Vision and Framework for future Development of the District (which lies outside the South Downs National Park) upto 2039.

We cannot stress how Important it is to have your comments not just as a Parish but as an Individual so please when as Cllr Bronk has stated earlier in the Ward Report 2nd Nov-14th Dec 2022 is the Public Consultation.

Please take the time to read and digest it and Make Comment.

They ALL ARE READ and each Comment is taken extremely seriously so please make the time to complete when available.

## Agenda Item 106/22

## **Twyford Parish Council**

#### Clerk's Report

Councillors are reminded that the items within this report are provided for information only and not available for debate. If it is considered that an item listed within the report should be debated fully by members, then it will be placed on the next appropriate committee or council agenda. Any member wanting clarification or further information on any aspect of items within the report please contact me in advance of the meeting.

#### General reading and information.

The following publications have been received and available for members to read:

- Rural Service Network Rural Bulletin 18<sup>th</sup> October
- Hampshrie ALC October Newsletter
- South Downs News October
- CPRE Hampshire Hedgerow Heros
- WinACC October WeCAN News

#### Other information

- 1) All members need to be aware of the disclosable pecuniary interest forms and consider whether there have been any changes since it was last written. If there was a need for any change to be made, please contact me and I will supply fresh document for completion.
- 2) Minor fly tipping of garden waste is still occurring at Hunter Park. I am arranging for letters and signage.
- 3) Hampshire LGPS Pension fund annual meeting took place earlier in the month and the tri-annual review. Employer contribution rates will remain unchanged for the next 3 years.
- 4) At a previous meeting a query was raised as to who the local Hampshire Parishes SDNPA representative is. I have been informed the role is currently vacant.
- 5) SSE substation at Hunter Park correspondence has now restarted on the lease renewal.

Jamie Matthews Parish Clerk 21st October 2022

## Agenda Item 114/22

**Sent:** 13 October 2022 16:29

To: Cllr. Chris Mitchell <chris.mitchell.cllr@twyfordhants.org.uk>; Cllr. Steve Pullen

<steve.pullen.cllr@twyfordhants.org.uk>; Cllr. Sue Cook <sue.cook.cllr@twyfordhants.org.uk>; Cllr.

Chris Corcoran <<u>chris.corcoran.cllr@twyfordhants.org.uk</u>>; Cllr. Waine Lawton

<waine.lawton.cllr@twyfordhants.org.uk>; Cllr. Richard Sellars

<richard.sellars.cllr@twyfordhants.org.uk>

Subject: Wasteland: Public Footpath 24

Dear Councillors,

Yesterday I saw the damage done to Footpath 24 (the path from Hunter Park to Gabriel's Copse) for the first time, and was shocked at the removal of so many trees and other plants. It looks like the set for a WW1 film.

I assumed that the work would be to remove individual dangerous ash trees, suffering from ash dieback, but it looks as though all of the trees have been taken down. The footpath is now unrecognisable.

Was the Parish Council aware that this level of destruction was going to take place? The landowner and their contractors seem to have felled hundreds of trees of varying maturity along with all the undergrowth. Some people are already talking about there having been an "ulterior motive" to do with planning applications for holiday lets.

Whatever the reason, I am very sorry that the landscape of this footpath has been so totally destroyed. Does the Parish Council have a view on this?

Incidentally, I gather the destruction will be continuing on Hare Lane, another erstwhile delightful woodland walk. Will that be similarly denuded of all its trees - ash or otherwise?

## **PARISH FARM ADVISORY COMMITTEE**

## **TWYFORD PARISH COUNCIL**

# **draft MINUTES** of a meeting held on Thursday 13<sup>th</sup> October 2022 7.30pm at The Pavilion, Hunter Park

Present	Apologies	In attendance
Cllr Chris Corcoran	Cllr Steve Pullen	Sue Merritt, Assistant Clerk
Cllr Sue Cook	Cllr Tony Bronk	
Martin Locke	Cllr C Mitchell	
Jonathan McGill	Aidan Bocci	
	Andy Coates	

1.	Apologies					
	Apologies received from Cllr Steve Pullen, Cllr Chris Mitchell, Cllr Tony Bronk and Aidan Bocci.					
	Due to the number of Members present, it was agreed to concentrate on urgent matters and hold a further meeting in approximately 6 weeks.					
2.	Approval of Minutes of meeting held on 10 <sup>th</sup> February 2022					
	The minutes of the meeting held on 10 <sup>th</sup> February were approved.					
3.	Actions since meeting held on 10 <sup>th</sup> February 2022					
	Stewardship – ongoing with Andy Coates					
	Information board – this has been installed.  Kissing gates – installed March 2022.					
	Bench repairs – a memorial bench at Compton Lock was damaged during the summer and repaired by Colden Common Sheds at a cost of £60.					
4.	Notes on Tree Planting Strategy					
	Cllr Corcoran circulated a report prior to the meeting and is attached as an Appendix. Cllr Chris Mitchell emailed his response advising his support and would help manage the tree proposal.					
	Two areas of trees were discussed as detailed on the plan:					
	<ul> <li>Area A: Chris Corcoran recommended a mixture of beech, oak, lime, alder.</li> <li>Members agreed it appropriate to ensure adequate spacing to allow access for a tractor for hedge trimming.</li> </ul>					

 Area B: It was agreed to set back the avenue of single trees by approximately 20ft inside the fence to allow for growth, also allowing access for a tractor for hedge cutting.

Cllr Corcoran to liaise with Cllr Mitchell to carry out a survey on spacing.

#### 5. **Berry Meadow**

- Grazing Jonathan McGill advised that the meadow had been well grazed, however, the meadow may require topping and Jonathan would approach Jack to arrange.
- Stewardship Andy Coates is monitoring, detailed input required.
- Membership of South Downs Farm Cluster the fee is £214, the recommendation from Andy Coates is that the Parish Council joins; all Members were in favour.
- Shawford Road parking slabs and gravel had been laid by Farm Committee members acting on their own initiative to make a slight improvement. It was noted that overnight camping had taken place, agreed to monitor and notify Hampshire County Council if necessary, as this is not Twyford Parish Council's land nor the Farm Committee's responsibility.

#### 6. The Lock, towpath and river

- Security of Compton Lock Members were aware of the issues over the summer period and thanked Cllr Sue Cook for her work in investigating security at the lock, including discussions with held with a security company. It was agreed that options should be considered, and plans put in place in preparation for the summer of 2023.
  - **It is recommended to Full Council** that security of the lock is reviewed by way of patrolling the area.
- Fishing it was noted that despite signage being installed, people were still fishing. Newly installed signage had been damaged or removed.
- Repair of bank An area just below the lock of an area is badly eroded by water/dogs; Jonathan McGill has arranged repairs using oak which has been ordered. Cllr Sue Cook asked for another hold in the bank to be filled, which Jonathan would investigate.
- Fallen tree email received from Andy Roberts stating that, together with Kieran, he would carry out the work and would use the materials to protect the bank. Cllr Chris Corcoran to contact Andy Roberts to ascertain when the work would take place (now done).
- New bench including hoggin An enquiry had been received from the
  executors regarding of progress of the bench. Cllr Chris Corcoran suggested
  tasking a company with the design and creating a bench, Cllr Cook was not in
  favour. Jonathan McGill reminded Members of his previous proposal of a brick
  and flint plinth on a base with a piece of stone on top, also to include some
  landscaping.
  - Cllr Corcoran and Cllr Cook to each make enquiries.
- Engineering survey No progress.
- Review of signage new signs installed, some have been damaged/removed.
   Cllr Corcoran would remove the remaining "Fire Risk" signs. Cllr Corcoran also to liaise with the Clerk regarding "No Fishing" signs.
- Itchen Navigation Andy Roberts and others are setting up an 'Itchen Navigation Charity' to fill the vacuum created by the lack of any overall responsibility for the repair/maintenance/enhancement and by their lack of funds of the public bodies for discretionary work. The aim is to provide a

vehicle for grant applications and fundraising. The Farm Committee expressed interest. Andy will contact the Parish Farm Committee again soon.

#### 7. The Meads

improved.

- Review of period since last meeting:
   Kissing gates installed March 2022.
   Grazing has taken place, cattle was removed and fence repaired. It is hoped the cattle would be returned soon for grazing.
   Two floodings took place, one at the end of March and one for the Jubilee by special permission. No further floodings planned until water levels have
- Yoga A proposal was received to use the Meads for outdoor yoga classes during the summer months. Committee were unclear where the yoga would take place as there is no room in the lock area which does not get in the way of people on the footpaths or interfere with swimming. Chairman concerned about any commercial use of the lock or the meads. Cllr Cook to contact the proposer and suggest she approach the Community Hall for winter hire. The proposal for next summer would be readdressed at the next meeting.
- Tree work it was agreed no urgent attention required and to take forward to next meeting. Email received from Aidan Bocci regarding the decline of wasps and other insects and proposing any old wood including branches be left to decay in sunlight. Jonathan McGill suggested to continue the usual procedures, as plenty of wood is around.
- Fencing repair and replacement Jonathan McGill and Chris Corcoran carried out emergency repairs along the navigation. Jonathan proposed the installation of a 2<sup>nd</sup> fence parallel from the lock up to the thick bushes and is obtaining a quote.

#### 8. **Budget**

Email received from the Clerk outlining the current budget. On Income, Andy Coates subsequent update on the state of DEFRA payments noted that DEFRA is clawing back an overpayment dating back to 2012 for the lock area which is not farmed. Members requested confirmation of items of expenditure to date, as the expenditure seemed high. Assistant Clerk to request information from the Clerk. Note was taken that the remaining budget may not cover all of the Committee's plans for this financial year, to include the additional fencing in the Meads and any overspend on the Lock area when the bench is installed.

#### 9. **Any other business**

Cllr Chris Mitchell requested in an email for reasons why fishing is not allowed. Chairman noted that justification started from the need for TPC as owners to establish control over fishing and to counteract the website claims that it is "public fishing". The matter to be discussed at next meeting.

#### 10. Date of next meeting

It was agreed the next meeting to be held in approximately 6 weeks. Assistant Clerk to set date.

# <u>Proposals for Tree planting in Berry meadow</u> <u>Notes for the farm Committee 13<sup>th</sup> October 2022</u> Introduction

There have been a series of successful tree and hedge planting initiatives in the village over the last four or so years: Hunter Park boundaries; Hedge, Church lane: Hedge, Waterworks to Reservoir; Churchfield's meadow.; The latest one I think originates form the village sustainability Group led by Maggie Lippiatt and Angela Forder Stent; Rebecca Taylor Neece is the driving force for the tree planting. At the Green Fair in the summer, she collected donations for tree planting, with the intention of the donors planting them at Hunter Park, Ballard's Close and Berry Meadow. In the case of Berry Meadow, this is not something we had agreed to in advance. I raised the idea of planting an avenue of trees at the last meeting, but this was firmly put in its place to be the subject of a more considered discussion.

#### Issues

The planting of trees on any scale raises as number of issues and is not necessarily an unalloyed good thing, either in landscape or conservation terms. For instance, Twyford's s three meadows were all bought to preserve them as meadows, open grazing land; we are encouraged and paid by Natural England to keep them in that state as part of the wider strategy of Natura 2000.

Turning to the objectives of tree planting, there are of course a whole range of reasons

- 1. landscape enhancement/modification
- 2. replacement of trees lost to pandemics (elm and ash at the moment.)
- 3. biodiversity
- 4. carbon capture
- 5. use of the timber /woodland products
- 6. education /demonstration
- 7. flood mitigation
- 8. soil stabilization

I think the main drive of the sustainability group for the planting of trees is for carbon reduction. So, any scheme for planting on Berry Meadow with these objectives needs to be tested against the objectives for the Berry meadow land. The primary objective is biodiversity, through controlled grazing of permanent pasture, according to a regime specified by Natural England and with a formal contract between NE and TPC. Berry meadow is also important for its landscape contribution; it is partly enclosed by trees of Shawford park at the southern end but to the North it gives long distance views to St Catherine's Hill with nearer views of the Church

Berry meadow also has historic landscape value as a major remnant of Twyford's mediaeval meadow land which is also 17<sup>th</sup> Century water meadow.

Berry meadow is also of immense value for walkers and is crossed by a number of footpaths which follow desire lines.

Tree planting should not compromise any of these objectives and established uses.

However, this presents something of a challenge as trees are by their nature

- space hungry,
- become dominant features in the landscape
- are vertical as opposed to the horizontal character of the meadow landscape this presents a challenge
- will change the flora which grows underneath them suppressing the meadow grass. Any planting would also have to be protected against cattle, either by individual guards or the fencing of a whole area.

I suggest the criteria should be:

- a small area
- in an unobtrusive location
- not compromise any existing use (cattle grazing access for vehicles footpaths used by the public
- not diminish the grazing area
- contribute to the existing use of the land for cattle grazing
- not impose a continuing maintenance burden on TPC

The options I suggest for consideration are

Area A: inside the pedestrian gate by Norris Bridge

Area B: Line of individual trees as an avenue inside the field on the Shawford Road Boundary

•

Area A: see plan attached: this measures about 25m by 20 m to be planted with larger trees at approx. 6 m intervals. Each tree to be protected by cattle proof guards similar to the HWT in their meadows at Hockley. There would be about 20 trees. The advantages of this method of planting over more smaller trees/shrubs over a similar area which would then be fenced off are:

- 1. no fencing or barbed wire
- 2. cattle can graze over the whole area
- 3. shade for the cattle
- 4. no diversion of footpaths
- 5. no loss of subsidy for reduced grazing area
- 6. Less maintenance of fenced area
- 7. scale/height of selected species appropriate to scale of landscape

#### Who will pay for it and do the work?

The full cost of planting, with the guards and the responsibility for maintenance need to be addressed by the tree planting group.

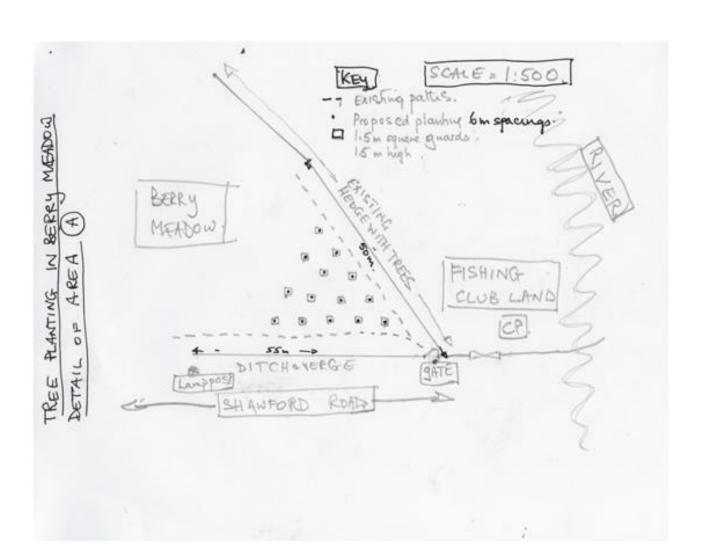

#### Choice of species and precise location

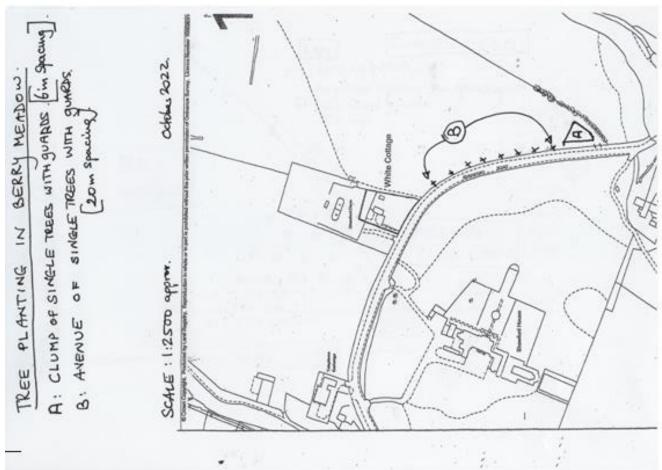

The suggestion by the Sustainability Group is a mix of hedgerow plants with some cherry, but it is forest/parkland native trees that are more appropriate in this location where the landscape is large scale and Shawford Park sets a benchmark for further planting. I suggest the species should be from a list of EITHER: lime (preferably small leafed); elm; beech OR Alder 100% to be agreed with the farm committee. Cherry is suggested by the group, but this is an invasive species which spreads by suckers

Area B

I am also suggesting to the farm Cttee that a line of trees say 8-10 be planted inside the Berry Meadow fence to Shawford Road at 15 to 20 m spacings also with guards braced on the existing fence.

I don't think I have met Becky but do please put her in touch if that would help.

## Item 118/22

## Schedule of Payments - October 2022

Reference	Gross	Vat	Net	Details	
177	£36.00	£6.00	£30.00	Vodafone - Mobile Telephones - September	
185	£222.36	£0.00	£222.36	Winchester City Council - Business rates - Pavilion 21/22 - 22/23. Month 1

#### Section 3 - External Auditor Report and Certificate 2021/22

In respect of	TWYFORD PARISH COUNCIL – HA0263

#### 1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/ .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- · summarises the accounting records for the year ended 31 March 2022; and
- · confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external

auditors.
2 External auditor report 2021/22
On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.
Other matters and offering any opinion which we draw to the attention of the authority.
Other matters not affecting our opinion which we draw to the attention of the authority:
None.
0.5.4
3 External auditor certificate 2021/22 We certify that we have completed our review of Sections 1 and 2 of the Appual Governance and Accountability

Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.

External Auditor Name					
PKF LITTLEJOHN LLP					
External Auditor Signature	Plur Lutte ler	Date	30/09/2022		
* Note: the NAO issued guidance applicable to external auditors' work on limited assurance reviews in Auditor Guidance Note AGN/02. The AGN is available from the NAO website (www.nao.org.uk)					

Annual Governance and Accountability Return 2021/22 Form 3

#### Notice of conclusion of audit

Annual Governance & Accountability Return for the year ended 31 March 2022

Sections 20(2) and 25 of the Local Audit and Accountability Act 2014

Accounts and Audit Regulations 2015 (SI 2015/234)

- 1. The audit of accounts for **Twyford Parish Council** for the year ended 31 March 2022 has been completed and the accounts have been published.
- 2. The Annual Governance & Accountability Return is available for inspection by any local government elector of the area of **Twyford Parish Council** on application to:
  - J.P.Matthews
     Clerk & RFO
     Twyford Parish Council
     PO Box 741
     Winchester
     SO23 3QA

Email: clerk@twyfordhants.org.uk Telephone: 07443 598464

- Between the hours of 1000 -1200 (Monday / Wednesday / Friday)
- 3. Copies will be provided to any person on payment of £2 for each copy of the Annual Governance & Accountability Return.

Announcement made by: J.P Matthews, Clerk to the Council.

Date of announcement: 21st October 2022
